

# Waste disposal

You must segregate your trash in bags and put them in different bins depending of the kind of trash

**YELLOW:** plastic bottles, brik, cans, etc

**BLUE:** paper and cardboard

**GREEN:** glass

**BLACK OR GREY:** any other trash, including organic

*If there is one bin missing, you are allowed to dispose your trash in the generic bin, the black or grey bin*

Any other trash, including organic,

Plastic, cans, briks...

Paper

Glass

If there is one bin missin, you are allowed to dispose your trash in the generic bin, the black or grey bin
