

Cleaning, Ironing and cook services

If you want to hire cleaning services in a daily or weekly basis, and/or ironing services and/or cook services, our cleaning lady and representative on site, Angela, is available for you to hire her services.

She charges €15 (EUR) per hour. It is highly advisable to book in advance her services and you can send us an email for this purpose or phone her directly. You must be aware that you must pay her directly for her services in a weekly basis.
